Hi Paul –

Attached is the UPS Tracking Number and Proof of Delivery for what we believe to be the Form 486 for this application. We routinely include multiple 486 applications in the same envelope to save postage and this package contained the following 486 applications:

Intermediate Unit 18 – Local, Cellular, Long Distance  
Keystone Central SD – WAN

This package was shown as being delivered and received on 12/02/2005 at Lawrence Kansas – and there was a problem with locating the 486 applications associated with this package.

If you have any questions, please feel free to contact me.

Thanks for your help

Geoff Craven
